Utica and Binghamton, Oneonta  
Chamber of Commerce."

PRICE THREE CENTS

## RR. PRESIDENTS DENY A STRIKE IS THREATENED

All Talk of Walk-Out Inspired by  
Union Leaders, They Declare  
in Joint Statement

## WAGES DEFENDED

Meanwhile, Shop Crafts Call for  
400,000 Workers to Regis-  
ter Their Verdict

(By The Associated Press.)

Chicago, June 7. — Declaring that  
there is no threat of a strike among  
railway workers, the presidents of six  
Chicago roads tonight issued a joint  
statement denying that all threats  
of a walk-out were being inspired by  
union leaders.

The statement, which was signed  
by H. E. Byram, of the Chicago, Mil-  
waukee and St. Paul; H. H. Holden, of  
the Burlington; W. H. Finley, of the  
Northwestern; J. E. Gorman, Rock  
Island; C. H. Markham, Illinois Cen-  
tral; and S. M. Nelson, Chicago Great  
Western, follows in part:

"Threats of a strike made by lead-  
ers of the railroad labor unions are  
appearing with such frequency that  
the time seems opportune for ques-  
tioning the soundness of their talk.  
There is a very good reason for  
doubting whether the men them-  
selves, that is the railroad employes,  
really are in sympathy with resistance  
to decisions of the United States Rail-  
road Labor board.

"The truth is that the men have  
been expecting a reduction in their  
wages and have made, or are making,  
preparations to meet the new scale.  
There is no talk of strike among the  
men. The disturbing statements read  
by the public are prepared by leaders  
of the unions, whose viewpoint has  
been distorted by months of effort  
downward trend of wages. The em-  
ployes on the other hand, are in the  
main sincerely interested in taking  
care of their jobs and homes, and  
few employes in any industry have  
more good reasons for doing so.

Mr. Jewell Attacks.

"B. M. Jewell, spokesman for these  
railroad labor unions, has severely  
criticized the decision of the Railroad  
Labor board awarding the reduction  
in wages of shop employes. He attacks  
the wage award also on the ground  
that the proposed scales are lower  
than the minimum required to sup-  
port the average family, according to  
American standards.

"The public should not overlook the  
fact that in deciding the proposed  
wages of these employes, maintenance  
of way and shopmen, the Labor board  
said after the reductions made under  
this decision, these employes on the  
railroads will still be receiving as a  
rule a wage in excess of that paid  
to similar employes in other indus-  
tries. The board held in its opinion  
that measured by the present cost  
of living, the average hourly wages  
of machinists, for instance, after July  
1, will still have 19 per cent more  
purchasing power than in December,  
1917; those of carmen 48 per cent  
more purchasing power, and those of  
common laborer, 45 per cent more.

"An important fact which should  
not be overlooked by the public is  
that whereas rate reductions amount-  
ing to more than \$250,000,000 have  
been ordered by the Interstate Com-  
merce commission, the cut in wages  
according to decisions thus far ren-  
dered, amount to only \$110,000,000.

"These reductions in wages of rail-  
way employes simply mean that they  
must bear some part of the burden  
of the cost of living. The cost of  
living has increased by changed busi-  
ness conditions. The railways, not  
yet emerged from a serious financial  
crisis, have been ordered to make re-  
ductions in rates which they cannot  
stand without reductions of their  
wages and other expenses.

"To leave railway wages on their  
present high basis would be to make  
railway employes a tax on the rest  
of the community, and all other  
classes of people, including other  
working men."

Strike Ballots Sent Out.

Strike ballots returnable June 30  
went out today to railway employes  
affected by wage reductions ordered  
by the Labor board. The ballots  
were mailed by individual unions. Of  
200,000 members are affected  
either issued or pending.

Paralysis of the nation's  
July 1, loomed as a possibility as a  
result of the reductions which have  
already slashed \$110,000,000 from the  
wages of the workers. The wage cut  
is effective July 1.

Meanwhile the board is preparing  
to hear disputes this month between  
shop crafts employes and some of the  
railroads over all unauthorized wage  
reductions and piece work. B. M.

## GANNA WALSKA AND COCHRAN DIVORCED

Decree Separating Wealthy Man-  
ufacturer From Bride Becomes  
Final August 14

(By the Associated Press.)

Paris, June 7. — A Paris court de-  
cree divorcing Alexander Smith Cochran,  
wealthy American manufacturer, and  
Madame Ganna Walska will auto-  
matically become final August 14, it  
was announced today.

The preliminary decree was granted  
last Friday when it was decided  
that it would become final within 60  
days unless some protest is entered  
in the meantime. It is considered im-  
probable that any proceedings will  
arise that will delay the final decree,  
as both parties were represented in  
court last Friday and the court's ac-  
tion was taken with the agreement  
that the 60-day period be exclusive  
of Sundays, legal holidays and court  
adjournments, making the divorce  
finally effective August 14.

The divorce is entirely separate  
from the financial settlement previ-  
ously announced in America.  
Dudley Field Malone, Madame  
Walska's attorney, in asserting today  
that the divorce was not yet final,  
said there was no truth in the re-  
ported statement that Mr. Cochran  
was granted the divorce.

Mr. Cochran has not and never  
will obtain a divorce from Mrs. Coch-  
ran," he declared.

## POINCARE DOUBTFUL OF LOAN TO GERMANY

Hardly Expects Results and Is  
Ready for Day When Berlin  
Is Declared in Default

(By the Associated Press.)

Paris, June 7. — Premier Poincare  
told the senate foreign affairs com-  
mission this afternoon that he hoped  
the negotiations would continue for  
an international loan to Germany, al-  
though he hardly expected any early  
tangible results.

In the meantime, he said, French  
industry, while awaiting German pay-  
ments in cash, which could become  
important only through the aid of a  
loan, must adjust itself to payments  
in goods.

Repeating previous declarations in  
the chamber of deputies as to France's  
determination to act alone if neces-  
sary in case of Germany's default in  
repayments, the premier said that re-  
gardless of whether the need for im-  
posing penalties upon Germany arose  
from the failure of the loan, or from  
France had studied and prepared  
all plans for various sorts of  
penalties and was ready for the day  
when the repayments commission  
might declare Germany in default.

Jewell, head of the railway employes'

department of the American Federa-  
tion of Labor, who is leading the fight  
against the board's orders, was in-  
formed that the first of the hearings  
will be held tomorrow.

Triple-Barrelled Strike Ballot.

Cincinnati, O., June 7. — A triple-  
barrelled strike ballot calling for  
400,000 railway shopmen in the coun-  
try to vote on three separate ques-  
tions was ordered by the executive  
council of the six shop crafts unions  
here today. Instructions were sent by  
B. M. Jewell, head of the shop unions,  
to headquarters in Chicago to expedite  
the printing and distribution of the  
ballot with all possible haste.

The questions on which the men will  
vote whether to quit work or not cov-  
er the following:

"1. Seven rules, including five win-  
ning out time and a half for overtime,  
promulgated by the Railroad Labor  
board, with which the shop men are  
not satisfied.

"2. The farming out of shop work  
by the railroads to outside firms (the  
illegal installation of piece work) and  
the arbitrary and unauthorized re-  
duction of wages on the part of some  
roads.

"3. The wage scale of the railroad  
board announced yesterday effective  
July 1."

Lee Predicts Strike.

Toledo, O., June 7. — A strike of  
railroad employes will probably come  
about July 15, in the opinion of Presi-  
dent F. R. Lee of the Federated Shop  
Crafts of the Wabash railroad system,  
who is presiding at the biennial con-  
vention of the federation here this  
week.

"I am satisfied that the shop men  
will vote almost unanimously for a  
strike," he said. "The matter has  
been laid before our resolutions com-  
mittee, and I feel sure they will re-  
turn a resolution, calling for a strike  
vote to the delegates at today's ses-  
sion. There is no question about the  
sentiment of the men. They feel they  
cannot afford a reduction in wages at  
this time."

## STEEL MERGER PLANS GIVEN

Midvale, Inland and Republic Com-  
panies to Form North Ameri-  
can Steel Corporation

(By the Associated Press.)

One Control Expected to Effect  
Savings; Issued Capital is  
\$132,814,547

(By the Associated Press.)

New York, June 7. — The terms of  
the proposed merger of Midvale Steel,  
Inland Steel and the Republic Iron  
and Steel company, with issued capi-  
tal of \$132,814,547, were made public  
tonight in a letter to stockholders  
signed by W. B. Corey, L. E. Block  
and John A. Topping, chairman of the  
boards of the three companies. They  
stated that details of organization had  
not been definitely settled and that  
the plan was subject to changes to  
meet conditions and the opinion of  
counsel.

The statement was made pending  
preparation of the final plans, the let-  
ter said, because much erroneous in-  
terpretation of the proposed consoli-  
dation had been given publicly in the  
last few days.

The Midvale and Inland companies  
will consolidate and take the name of  
the North American Steel Corporation,  
the letter explained, and this corpora-  
tion will acquire, subject to its liab-  
ilities, the assets of the Republic  
company.

Capitalization, under the consum-  
mated plan, comprises \$79,173,500 in  
bonds and other fixed obligations;  
\$50,331,475 new preferred stock of  
\$100 par value, and \$3,309,572 in  
shares of new common stock without  
par value.

Fixed Charge Obligations.

The bonds and fixed charge obliga-  
tions will consist of \$60,599,500 bonds  
and guaranteed obligations of the  
Midvale company or its subsidiaries;  
\$13,357,000 and other obligations of  
Republic or its subsidiaries, and \$5-  
217,000 bonds and other obligations  
of Inland, all of which, in addition  
to the other liabilities of the three  
companies, are to be assumed by the  
corporation.

The preferred stock is to be seven  
per cent cumulative and convertible  
until July 1, 1934, into common stock,  
four shares of preferred for five of  
common, and is to be redeemable at  
the option of the corporation at 115  
per cent and accrued dividends.

Kuhn, Loeb & Company have agreed  
to act as bankers for the plan, the  
letter stated.

"The plan contemplates," the let-  
ter added, "that the corporation will  
sell to Mr. Thomas L. Chadbourne, for  
services rendered, 25,500 common  
shares at \$10 per share, and to Messrs.  
Kuhn, Loeb & Company 39,900 shares  
at \$10 per share."

On completion of the plan, it is  
estimated that the corporation's fixed  
charges will amount annually to \$3-  
913,085 and the preferred stock divi-  
dends to \$3,523,203. The total rated  
ingot capacity will be 5,249,000 tons  
yearly.

Among essential reasons given for  
the proposed merger were "increased  
economy resulting from the mining  
of large tonnage of ore, coal and  
limestone, under one control, together  
with the economic advantage of bet-  
ter use of such products."

VIRTUAL DEADLOCK IN  
WASHINGTON CONFERENCE

(By the Associated Press.)

Washington, June 7. — Without ac-  
cepting the Peruvian proposal to arbi-  
trate the question of a plebiscite in  
Tacna-Arica, the Chilean delegation  
to the Chilean-Peruvian conference  
here today presented a counter pro-  
posal under which the plebiscite would  
be held and the United States act as  
arbitrator of the plebiscite conditions.  
The Peruvians are understood to have  
immediately rejected this suggestion,  
insisting that the whole question of  
whether a plebiscite is to be held  
should be submitted to the arbitrator.  
As a result today's session of the con-  
ference ended in a situation which  
many diplomatic observers regarded  
as a virtual deadlock.

FIRST AND EIGHTH WIVES  
OF SAME MAN SHAKE HANDS

(By the Associated Press.)

Poughkeepsie, June 7. — Ann Mit-  
trick of New York, the alleged first  
wife of John Lawrence St. Clair, and  
Bertha Maude Hayes of Albany, the  
alleged eighth and last wife, a far  
as known of the same man, met for  
the first time here this morning when  
they were introduced by Chief of  
Police William J. Sheedy on their ar-  
rival to testify before the grand jury  
against St. Clair, who is charged  
with bigamy.

Both smiled when the chief brought  
them together, but made no remarks.  
They shook hands and later left the  
court house to go and have lunch to-  
gether.

GLENNA COLLETT EASTERN  
WOMEN'S GOLF CHAMPION

(By the Associated Press.)

Rye, June 7. — Miss Glenna Collett  
of Providence, R. I., won the women's  
eastern golf championship today with  
a 61-hole total of 246 over the links  
of the Westchester-Biltmore Country  
club. In today's round Miss Collett  
went out in 41 and in 47 for 88.

The Rhode Island girl hit the barn  
door at the ninth hole and took a five.  
She lost her ball at the 12th and took  
a seven. But her score was so far  
ahead of the rest that none had a  
chance to catch up.

## Butler Deported

August Probst, young Swiss butler,  
was deported Tuesday on the Maure-  
tania on the ground that he had not  
entered the United States with proper  
papers. Probst claimed his deportation  
was ordered after he and a Pitts-  
burgh waitress had fallen in love  
while he was a butler at the Rolling  
Rock club, Ligonier, Pa.

## CUNNINGHAM AGAIN FAILS TO GO FREE

Eager to Help Authorities Solve  
Ward Case His Attorney  
Declares

(By the Associated Press.)

White Plains, June 7. — James J.  
Cunningham, race track detective  
jailed as a material witness in the  
Ward shooting case, today failed in  
his second attempt to obtain his lib-  
erty.

Maurice McCarthy, his attorney,  
brought him before Supreme Court  
Justice Seeger on a writ of habeas  
corpus, but the court reserved de-  
cision on motions either to free him or  
reduce the \$5,000 bail which the wit-  
ness has been unable to provide. The  
court directed McCarthy to file briefs.

McCarthy stated that his client was  
eager to help the authorities uncover  
the blackmail plot which Walter S.  
Ward claims led up to his shooting  
of Clarence Peters in self-defense.

Peters' mysterious companions, known  
to Ward as "Charley Ross" and  
"Jack," but whose real names are  
alleged by Cunningham to be Jackson  
and Rogers, McCarthy said.

"The chances are that if Cunn-  
ingham were allowed to go now, Jackson  
and Rogers would be in this country  
very soon."

He intimated that the pair would  
be willing to come to White Plains if  
the county authorities would guaran-  
tee them protection.

With the grand jury investigation  
to be resumed tomorrow, detectives  
bustled about mysteriously, check-  
ing up evidence presented at yesterday's  
session.

## CONSTABLES STOP CARDINAL LOGUE

Bags of Documents Relating to  
Church Business Opened and  
Contents Examined

(By the Associated Press.)

Belfast, June 7. — Cardinal Logue,  
primate of Ireland, while motoring  
from Armagh to County Louth to-  
day with Archbishop O'Donnell, was  
held up at Lisnadill, near Armagh,  
by a party of Ulster special police,  
who intimated their intention of  
searching the car. The cardinal ob-  
jected and demanded their authority,  
whereupon, according to the Dun-  
dalk report, one of the specials whip-  
ped out his revolver and said:  
"That's my authority."

The automobile afterwards was  
searched and bags of documents re-  
lating to church business were open-  
ed and their contents closely scruti-  
nized. The car was then allowed to  
proceed.

The special constables' headquar-  
ters in Belfast admitted the hold-up but  
said the men had acted against orders  
of the commandant and that discipli-  
nary action would be taken. Nothing  
was known here relative to the charge  
of personal discourses.

ELMIRA PROFESSOR DEAD.

Elmira, June 7. — Miss Selma  
Broughton, senior professor at El-  
mira college, died here today, aged  
60. She had been afflicted with the  
institution for 20 years and was na-  
tionally known as a musician and  
musical instructor.

## YOUNG MAN GETS 40 YEARS FOR \$750 N. Y. ROBBERY

New York, June 7. — A 40-year  
term in Sing Sing for robbing a  
foreman of a work gang of \$450  
in cash and a \$200 diamond was  
imposed upon Frank Mosca, 35,  
today by Judge Humphreys in  
Queens county court.

"This should serve as a warning  
to hold-up men who come to  
Queens from Manhattan and other  
places," said the judge.

The jury tried Mosca was  
out for 20 hours. It found him  
guilty of first degree robbery and  
grand larceny and second degree  
assault.

## PELL ATTACKS G. O. P. CLAIMS

State Chairman Declares Demo-  
crats Are Confident of Suc-  
cess in Fall Campaign

(By the Associated Press.)

Questions Economy  
Tells Taxpayers to Look at Bills  
and See That They Have Not  
Been Reduced

(By the Associated Press.)

Buffalo, June 7. — Speaking at a  
dinner given by local Democrats here  
tonight, Herbert C. Pell Jr., chairman  
of the Democratic state committee,  
questioned Republican claims of econ-  
omy in state administration and de-  
clared Democrats were organizing for  
the fall campaign confident of suc-  
cess.

"The Republicans of this state,  
through their propaganda bureau,  
have issued the statement that they  
are anxious to have the campaign  
conducted on a basis of fact and fact  
only," said Chairman Pell. "I thor-  
oughly agree with them. So far, their  
statements have been in many cases  
wrong and almost all deceptive. One  
big outstanding fact they cannot deny  
is that during Governor Miller's term  
the appropriations exceeded those of  
the previous two years by more than  
\$47,000,000. And this in the face of  
the cheese-paring policy which did  
not hesitate in many cases to force  
the insane waste of the state to sleep  
in corridors and hallways because of  
the lack of accommodation. They can-  
not deny spending about a quarter of  
a million dollars of the taxpayers' money  
on the Meyer committee, which was  
sent to New York city for no other  
purpose than to gather in-  
formation for use in the Republican  
campaign."

"They have used up a surplus of  
\$44,000,000 left them by Governor  
Smith. If they had the slightest be-  
lief in the actual existence of the  
economy claimed they would have  
lowered the state income tax and eased  
the tax burden of the people. The  
facts in regard to their claims of  
economy, which they profess to be so  
desirous of seeing published, can be  
ascertained by any taxpayer in the  
state who looks at his own tax bills  
and sees that they have not been re-  
duced."

"That their claims of economy are  
both impudent and false can be read-  
ily proved by careful consideration  
of the state appropriations for the  
last two years, or by inspection of in-  
dividual tax bills. It is very easy for  
them to talk about millions saved to  
the people but can they produce a  
single individual who has saved one  
copper cent? It is easy and cheap to  
talk of general prosperity, but what  
have they done to promote the pros-  
perity of the individual?"

OFFICIALS EXAMINE  
CHAPLIN'S MOTHER

(By the Associated Press.)

Will Determine Whether She Is  
Able to Return to England,  
as Required by Law

(By the Associated Press.)

Washington, June 7. — Federal  
health officials at San Francisco have  
been asked to examine Mrs. Hannah  
Chaplin, mother of Charlie Chaplin  
comedian, to determine if her mental  
and physical condition is such as to  
prevent her to return to her home in  
England.

This action was taken today by As-  
sistant Secretary of Labor Henning  
following the filing by attorneys  
of Mr. Chaplin of a statement  
that his mother's condition had im-  
proved greatly since her admission  
a year ago by the immigration authori-  
ties into the United States, for treat-  
ment, but that an order directing her  
departure from the country at this  
time would cause a relapse.

Mrs. Chaplin was permitted to en-  
ter the United States for one year for  
medical treatment and as the period  
has expired she must under the law  
return to England.

FIRE CHIEFS APPROVE  
THEATRE SAFETY PLANS

(By the Associated Press.)

Poughkeepsie, June 7. — Officers  
were elected by the State Fire Chiefs'  
association in session here today.  
Those chosen were as follows:

President, Chief Powers of Rome,  
vice president, Chief Shadwick of Sa-  
vona Springs, secretary and trans-  
lator, Chief Henry R. Yates of Schenec-  
tady; directors, Chief Erwin of One-  
ida and Chief Curtis of Geneva.

Approval was given to the new law  
which becomes effective in this state  
next October requiring safety devices  
and appliances for all places of  
amusement and such other places as  
are used by people numbering one  
hundred or more.

THREE MINERS ON THEIR  
WAY TO WORK FIRED ON

(By the Associated Press.)

Somerset, Pa., June 7. — Harry  
Dailly, B. W. Ling and another miner  
whose names the authorities do not  
know, were fired upon while on their  
way to work at the Carnbrook mine  
of the Ritz Coal company at Cairn-  
brook, near here, today. Dailly and  
Ling, physicians said, were badly  
wounded.

Shen J. W. Griffith could find no  
trace of the assassins.

The mine, which was closed by the  
coal strike, resumed operations Mon-  
day.

## RENEWED ASSAULT ON TARIFF BILL

Proposed Duties on Firearms Leads  
to Discussion of Wide Range  
Among Senators

(By the Associated Press.)

Washington, June 7. — While the fi-  
nance committee majority continued  
today to recede from some of the  
tariff rates originally recommended  
to the senate, the administration  
measure came in for renewed assault  
from both sides of the chamber.

Proposed duties on firearms, which  
finally were approved, led to a dis-  
cussion of wide range. Senator King,  
Democrat of Utah, declared that the  
tariff measure already was being used  
as a means of advancing prices in this  
country. He read from published  
reports that the American woolen  
mills had made a second advance in  
prices and predicted that these raises  
would be extended to other commodi-  
ties including boots, shoes and cotton.

Senator Norris, Republican of Ne-  
braska, discussing the duties proposed  
on shotguns, said the idea was to put  
a high tariff wall behind which Amer-  
ican gun manufacturers could ad-  
vance prices sufficiently to take care  
of their losses in invading the mar-  
ket of the world and driving foreign  
producers out of business in their  
own countries. He asserted that this  
not only was true with reference to  
shotguns, but also with reference to  
sewing machines, paints, steel prod-  
ucts and many other things included  
in the bill.

The Nebraska senator's speech was  
declared by Senator Simmons of  
North Carolina, the Democratic lead-  
er in the tariff fight, to be "an indict-  
ment of this bill and an indictment  
of the principle of protection as ap-  
plied here."

Mr. Simmons added that he looked  
for other "independent action" on the  
part of the Republican senators be-  
fore consideration of the tariff bill had  
ended.

Reject Operators' Plan.

Hazleton, Pa., June 7. — After re-  
jecting the operators' plan for arbi-  
tration of wage differences, the an-  
thracite miners' general scale com-  
mittee, at its session today, approved a  
counter-proposal which was drafted  
by the sub-committee that is conduct-  
ing negotiations with the operators.  
At the same time, it was decided to  
direct a referendum vote for the rank  
and file of the union, empowering  
the scale committee to issue a general  
strike order should the necessity for  
that step arise.

Details of the proposal will be sub-  
mitted to the miners later, it was  
said.

Columbus, O., June 7. — Announ-  
cement was made here today through  
the Southern Ohio Coal exchange that  
the John M. Jones company of Toledo,  
the largest operating company in  
Ohio, had appealed to Senator For-  
rester and Congressman S. D. Fess to  
use their influence, to bring about a  
conference between southern Ohio  
operators and miners with a view to  
ending the coal strike in that terri-  
tory.

SOVIET LEADER NOT  
GOING TO THE HAGUE

(By the Associated Press.)

Tchitcherin Will Rest After Over-  
work; Regrets Lack of U.  
S. Participation

(By the Associated Press.)

Berlin, June 7. — Foreign Minister  
Tchitcherin of Soviet Russia, now in  
Berlin, announced today he would not  
go to the conference at The Hague.  
He had already been absent from  
Russia for more than two months, he  
pointed out, and could not well remain  
away two additional months during  
which he believed the meeting at The  
Hague would continue.

M. Tchitcherin will remain in Ber-  
lin for three weeks under treatment  
for a generally run-down condition,  
caused by overwork. In answer to a  
question regarding Russia's attitude  
toward America, he said:

"Nothing fundamental can be es-  
tablished at The Hague without the  
participation of the United States, and  
we trust that its government will  
change its attitude toward Russia and  
decide to participate in the recon-  
struction of our country."

"Governor Goodrich has frequently  
told us in Moscow," M. Tchitcherin  
said, "that he thinks the United States  
should deal with the Soviet govern-  
ment; and many other Americans  
have told us the same after investi-  
gating conditions in Russia. In fact,  
the Americans who have no ancient  
property interests and have not been  
identified with the old Russian gov-  
ernment and old Russian officials,  
generally have that view, but men like  
Charles R. Crane, former minister to  
China, and others who were identified  
with the old regime, are our enemies."

SCALP TORN BY CURLER.

(By the Associated Press.)

Ashville, N. C., June 7. — Mrs. J.  
G. Beamon of Marion is in a local  
hospital in a critical condition today  
as a result of having her hair  
and a part of her scalp torn from  
her head by an electrical hair curl-  
ing device in a Marion beauty shop.

### MIDDLEFIELD CENTEL

Middlefield Center, June 7.—The Woman's Missionary society met with Mrs. Helen Huntington on Wednesday afternoon. Children's day exercises will be held on Sunday morning, June 18.—A few from this place attended the Sunday school association at Cherry Valley on Saturday.—A surprise kitchen shower was given Miss Grace Snyder last Saturday evening at the Cunningham home. Miss Snyder is to be married on Saturday to Rev. J. C. Rankin of Uniondale, Pa.—Mr. and Mrs. Louis Groat of Ilion were recent guests of Mr. and Mrs. D. C. Clyde.—Mrs. Mina Mowyer of Frey's Bush came on Saturday to spend a few days at A. P. Snyder's.

### BUDGET FROM MILFORD.

Churches Unite Next Sunday in Children's Day Services.

Milford, June 7.—Children's day will be observed in Milford next Sunday in a united manner. In the morning at 10:30 o'clock the Presbyterians will attend the Methodist exercises while in the evening the Presbyterian children will act as both host and entertainers to their Methodist friends.

### Methodist Notes.

Plans are under way for a church prayer service of interest on Thursday night which will be followed by a rehearsal of the re-organized choir. The Queen Esther girls are contemplating a pilgrimage at an early

village.—A. L. Spencer of Abington, Mass., is visiting at Frank Matteson's.—Mrs. F. H. King was a caller at East Worcester Monday.—Clair Miller and George Rous were business callers at Poughkeepsie Tuesday.—Walter Place of Otego was a recent guest of LeForest Galer.

### SCHENEVUS HAPPENINGS

J. R. Oliver to Occupy Residence—Personal Mention.

Schenevus, June 7.—Revo Tillapaugh has bought the house on Welton avenue occupied by Charles W. Becker, from Miss Lavina Cook. Alterations and repairs will be made in the property and then occupied by J. R. Oliver, Mr. Tillapaugh's assistant.

### Personal Mention.

Mrs. J. R. Oliver of Andes is in town for a few days.—Miss Mary Merrieth of Oneonta was a guest of Miss Hilda Card Sunday.—Miss Florence Noonan of New York city is home on a visit for a few days.—Miss Ethel Rittor of Potter's hotel has returned to her home in Maryland.—Judge Aden Chester of Albany and daughter, Mrs. Amy Merrick, were guests of Mr. and Mrs. Claude M. Bulson last week.—Mr. and Mrs. James Robb of Amsterdam were calling in town yesterday.—Fannimore Bennett of Oneonta visited his brother, G. W. Bennett yesterday.—Mr. and Mrs. Irving Hanor of Oneonta were here last week.—Mrs. Anna Jones and son, Alan, have just returned home after spending a few days in Mt. Vision.—Past Matrons from Schenevus chapter, O. E. S., in Middleburgh Wednesday were Mrs. Amelia Graney, Mrs. Eva Chase, Mrs. Lilla K. Lewis, Mrs. Anna Manzer and the present matron, Miss Claribel Griffin.

### Attend Mrs. Palmer's Funeral.

Among those from out of town attending the funeral of Mrs. George G. Palmer, Tuesday afternoon, were Mr. and Mrs. Arthur Closson of Hillsdale, the latter being a niece of Mr. Palmer; Mr. and Mrs. Sidney Burton and Mr. and Mrs. Bliss Burton of Westville, cousins of Mrs. Palmer and Gilbert Palmer of Mt. Upton.

### Dinner at Colliers.

Colliers, June 7.—The Ladies' Aid society of the Methodist Episcopal church will serve a roast beef dinner at E. Nicklos Friday evening, June 9. Dinner served from 6 o'clock until all are served. Price 25c.

## Delaware County News

### EASY MARKS FROM BIG CITY

Gypsies Film-Flam Wealthy New Yorker on Their Way Through the Tunnel Country.

Stamford, June 7. (Special).—The large band of gypsies that recently passed through Oneonta in automobiles arrived at Allaben Sunday where they did a land office business in the fortune telling line among the shaft and tunnel workers and a number of white men who hold clerical positions with the contractors of the New York city aqueduct. After the fortune telling was over the customer was asked to allow the fortune teller to hold his

money a minute so that it "could be blessed and become lucky money." Several of the negroes and some of the white folks handed over their "rolls." One of them that passed over a good sized roll was New York business man of wealth who was stopping with his family at a summer resort near Allaben and who was well pleased with the good things foretold by the fortune teller who blessed his money that he gave her a dollar. Shortly afterwards he counted \$60 from the wad of bills which she had abstracted while "blessing" it.

The New York man notified the

## HER AILMENTS ALL GONE NOW

Mrs. Sherman Helped by Lydia E. Pinkham's Vegetable Compound

Lake, Michigan.—"About one year ago I suffered with irregularities and a weakness and at times was obliged to stay off my feet. I doctored with our family physician and he finally said he could not understand my case, so I decided to try Lydia E. Pinkham's Vegetable Compound. After I had taken the first bottle I could see that I was getting better. I took several bottles of the Vegetable Compound and used Lydia E. Pinkham's Sanative Wash and I am entirely cured of my ailments. I may publish this letter if you wish." Mrs. M. SHERMAN, Route 2, Lake, Mich.

There is one fact women should consider and that is this. Women suffer from irregularities and various forms of weakness. They try this and that doctor, as well as different medicines. Finally they take Lydia E. Pinkham's Compound, and Mrs. Sherman's experience is simply another case showing its merit.

If your family physician fails to help you and the same old troubles persist, why isn't it reasonable to try Lydia E. Pinkham's Compound?

Board of Water Supply police precinct at Allaben and the gypsies were soon rounded up and the man picked out the young and good looking woman who told his fortune. Then all the women and children began crying and the one accused took a baby from another gypsy's arms saying that it was her child.

A B. W. S. policeman escorted the woman and baby to Justice Benson Shandaken, followed by the band of gypsies. The crying continued all during court. Judge Benson being told the \$60 had been recovered fined the handsome fortune teller with the baby \$10 which was paid. The baby belonged to another woman.

After the caravan had passed on one of the timekeepers on the tunnel job admitted he had been short changed \$10 but did not want to let it be known that he was such an easy mark.

It is reported that the band fleeced folks all the way to Kingston, in one case nearly tearing all the clothes off a man because he would not contribute money. Something should be done to stop such kind of robbers.

### Heavy Rainfall Last Saturday.

A heavy storm visited Phenicia and Mt. Pleasant Saturday doing much damage. The rainfall was so heavy that several large trees were washed out of the side of the mountains in that vicinity blocking the state road with debris so it was almost impossible to get through. There was a heavy rainfall at Kingston.

### SHERIFF ATTACKED

DELHI JAIL PRISONER STRIKES ARBUCKLE WITH PIECE OF PIPE IN EFFORT TO ESCAPE.

Although Severely Injured Sheriff Arbuckle Escapes Gravelly New York Prisoner's Death—Orville Kimball, Assailant of Madison County Sheriff, Indicted for Rape—Grand Jury Ends Work.

Delhi, June 7.—Sheriff Arbuckle had a narrow escape from death at about 10 o'clock this evening when Russell Bailey, 19 year old prisoner in the county jail, struck him a terrific blow over the head with a length of pipe. The sheriff, who was too powerful, however, and Bailey's attempt at escape was frustrated.

Bailey, whose home is at Lisle, near Binghamton, was indicted this afternoon by the grand jury for the theft of an automobile at Fleischmanns some time ago. He was occupying a cell on the second floor and was the only prisoner on that corridor. When the sheriff came around at about 10 o'clock to lock him in his cell Bailey told him that the toilet in his cell was not working properly and that he had better fix it. The sheriff told him that he would not lock him in then and that he could use the toilet in the next cell until he came back in a few minutes. When the sheriff went back to lock him up Bailey struck him a terrific blow on the head with a piece of pipe which he had torn out of the shower bath in the corridor.

Arbuckle's life was probably saved by the fact that he managed in part to dodge the blow. Bailey then attempted to prevent the sheriff from closing the door. However, although bleeding from the wound and badly hurt, the sheriff was too powerful and forced the door shut in spite of Bailey's efforts to get out. The prisoner was of course expecting to get possession of the jail keys and so escape.

Mr. Arbuckle received a very bad wound which will probably lay him up for several days. Bailey will doubtless find another than the larceny charge facing him now.

Grand Jury Finishes Work.

The grand jury finished its labors today after the consideration of nine cases. Four indictments were found. Among those indicted was Orville Kimball, charged with rape in the second degree, alleged to have been committed at Sidney Center. After he had been arrested and lodged in the Delhi jail it was discovered that Kimball was the fellow who struck Sheriff Carver of Madison county at Wampsville in June, 1920, with a bar of iron and made his escape. At the same time liberating two other prisoners.

Last week Kimball was taken to Wampsville on a court order and this week he pleaded guilty of the assault and was sentenced to Auburn prison for not less than five years and not more than ten. He has begun his sentence. Sheriff Carver was laid up for nearly a year as a result of the assault.

The grand jury was discharged about the middle of the afternoon.

## FOR PUBLIC HEALTH NURSES.

Recognizing the necessity for a larger supply than is at present available of adequately trained public health nurses, the State Department of Health announces a correspondence school for thing training which will be given by the New York university and Bellevue Hospital medical college.

This course, which is open to all registered nurses, will begin on September 5th, 1922, and will call for ten hours weekly study for a period of forty-eight weeks. The course will include instruction in all of the various phases of public health work in which nurses are engaged, and will cover such topics as maternity and child hygiene, communicable diseases and bacteriology, vital statistics, community and home hygiene and sanitation, industrial hygiene, occupational diseases, mental hygiene, and the principles of community organization and administration, from the point of view of both public and private agencies. In the latter part of the course a week of study in residence at either New York city, Buffalo, Syracuse or Albany will be required. A certificate will be given on completion of the course, and matriculation fee of five dollars represents the entire expense of the course to the student, outside of living expenses during the week of residence work, and the purchase of the necessary text books.

The State Commissioner of Health, Dr. Hermann M. Biggs, has long noted with regret the lack of a sufficient number of qualified public health nurses to meet the demands of communities and private organizations desiring to employ these invaluable aids to the up-to-date health officer. Since the Department has for some years conducted a successful correspondence course for health officers it seemed wise to try the experiment of a similar course for nurses, in order to add to the number of graduate nurses who should be widely informed on all phases of the public health nursing work now being carried on in New York state. In particular it is hoped by this means to increase the number of women qualified for paid positions in the health service of the state.

## BETTER TROLLEY TIMES

Probably no class of transportation was hit harder by the war times and the times after than the trolley lines of the country, and none have been longer in making recovery therefrom. It is therefore a pleasure to note that these companies, along with others are doing better, and that last year they largely increased the income on operations.

Three years ago the street car companies, from California to Maine, had run into adversity. Some fell into the hands of receivers; the greater part rolled up huge losses.

The tide has now set the other way. Income has risen, not through increased business, for the number of passengers carried in 1921 is actually less than in 1920, but through lower costs for materials and labor as well as by reason of hoists in fares.

"The net operating revenue increased from \$93,916,654 in 1920 to \$105,316,732 in 1921," says Robert I. Todd, president of the American Electric Railway association. "A \$11,000,000 increase gives a greatly enhanced purchasing power, and the result should soon be seen in equipment and better credit, which has been almost at its lowest point in the last five years."

The trolley lines play an important part in our system of transportation. Itney and bus have tried in vain to replace them. Today there are 41,000 miles of electric car tracks in the United States, over which no less than 15,000,000 persons travel in a year. It is, therefore, indeed, that the somewhat restored value of money has not only saved the companies from ruin, but has made it possible for them to render better and more efficient service.

## WHERE NATURE SMILES

Not Only Cooperstown But Wherever It Rained Last Week.

Heavy rains were general Friday and Saturday over all sections of the state, excepting the extreme western counties where only light to moderate showers occurred and more rain is needed to facilitate plowing, according to the summary of weather and crop conditions for the week ending June 6, sent out from the Itasca office of the weather bureau. Except for two cool, rainy days the weather was warm with an abundance of sunshine.

The rainfall greatly benefited all crops and their general condition continues satisfactory; the strawberry crop was particularly helped by the precipitation. The planting of corn and potatoes is nearing completion and their cultivation has begun over the southeastern counties. Wheat and rye are reported as favorable and oats look especially well. Hay is generally good, and alfalfa in Orleans county is reported to be ready to cut.

## Receives Reserve Assignment.

Police Attorney Donald H. Grant, who holds a first lieutenant's commission in the Officers' Reserve corps, has been assigned to the Third battalion of the 39th Infantry, and designated as plane and training officer for that battalion. Battalion headquarters are at Binghamton.

## Cornell Examinations.

The examinations for the Grange Cornell scholarship will be held in Cooperstown on Saturday, June 17. Those wishing to take this examination should send their application to Pomona, Master George M. More, Cooperstown.

## PAST NOBLE GRANDS MEET

Thirty Representatives From Six Counties Attend Meeting Here of Past Grand's Association of Odd Fellows of Central New York.

Thirty past noble grands from Odd Fellow lodges throughout Broome, Cayuga, Chemung, Warren, Otsego and Tioga counties were present at the 10th annual meeting of the Past Grand's association of Central New York held yesterday afternoon in Odd Fellows' hall. Doubtless the attendance would have been larger but for the fact that Oneonta is at a far corner of the district.

The old officers of the association, with the vice presidents, were re-elected as follows: President, George D. Snodaker of Johnson City; secretary, Frederick G. Davis of Elmira Heights; treasurer, Burr G. Mosher, P. G. M., of Binghamton. The vice presidents will be the six incoming district deputies. Various proposed grand lodge amendments received the attention of the association.

At 5 o'clock a much enjoyed dinner was served by the ladies of Royal Tebekah lodge and at 8 o'clock Centennial lodge worked the third degree. The visitors were loud in their praise of the hospitality of Centennial lodge. The next meeting of the association will be held on the first Wednesday in June, 1923, with Parlor City lodge of Binghamton.

## FORD CARS IN COLLISION

Automobiles in Bad Smash Up on River Street Yesterday Noon—None Killed Despite Report.

The Ford cars of Fred Bedford and William J. Dumond, both of this city, collided on River street near the Cross street yesterday noon with more or less disastrous results to both cars. The radiator and hood of the Bedford car were badly damaged and the radiator of Dumond's Ford was bent, the wishbone broken and other damage done.

According to Bedford he was coming up River street and Dumond was coming down, on the wrong side of the road. When he saw the cars would crash Bedford pulled to the left but not in time and the Dumond car struck his on the right hand side of the hood, pushing the car nearly across the road. No one was injured. There was a rumor about the streets early in the afternoon that two men had been killed in the accident and one person was found who said that he saw the two bodies. The truth is that the only casualties were two dead engines.

## OTSEGO POMONA GRANGE

Program of Summer Meeting to Be Held at New Lisbon Next Tuesday.

Otsego County Pomona grange will hold its summer meeting at New Lisbon on Tuesday, June 13. The program is as follows:

**Morning Session.**  
Called to order at 10 o'clock. Appointment of committees. Filling vacancies in offices and on committees. Reports of subordinate granges.

**Afternoon Session.**  
Called to order at 1:30 o'clock. Address of welcome by master of New Lisbon grange. Response by Overseer of Pomona grange. Unfinished business. New business. Discussion of problems of moment. Literary program. Question box. Report of resolutions committee. Report of Masters' and Lecturers' conference.

**Evening Session.**  
Moving pictures. Confering of fifth degree.  
(There will be a lecturers' conference some time during the day.)

## OTSEGO SPELLING CONTEST.

Miss Grace Cole Wins After Four Trials in Which Contestants Tie.

Miss Grace Cole, daughter of Mr. and Mrs. Loren Cole of Otsego, a student in the grades at the Otsego High school building, was the winner of the spelling contest conducted in the town of Otsego yesterday for the purpose of selecting a representative for the town of Otsego at the county spelling contest to be held at the Oneonta High school building June 13. Supdt. John E. Frederick conducted the examination. It was necessary to have four trials before a winner was selected, since four contestants and finally two contestants tied for first place in each instance. Miss Grace Cole was the winner at the town of Otsego yesterday. The contest for the town of Milford will be held in the village at 10:30 tomorrow and one for the town of Oneonta will be conducted at the Oneonta Plains school at 9 o'clock Friday morning. The winners will compete for first honors in the county contest, the winner of which will represent the county at the State spelling contest at Syracuse.

## Children Start Home Gardens.

Work has just commenced by 173 school children of the city on their home gardens, which will again be in charge of Mrs. Susan Hoye, who has directed the work for the past seven years. This movement has been regarded with extreme interest by many citizens since its inception. The children have done remarkably well with their gardens, planted with government seeds. In past years and have grown some unusual specimens of vegetables. Special prizes will again be awarded for the best gardens and for the best specimens of garden produce.

The insurance man can't prevent an automobile accident, but it is a great relief when one occurs to know that he is ready to take care of the claim for damages. SCENE FROM "THE PRODIGAL JUDGE"  
Jean Paige, Maelyn Arbuckle, Ernest Torrence and Charles Eaton head the all star cast in the Edward Jose production, "The Prodigal Judge," adapted from Vaughan Kester's famous novel. The picture has been termed "The Rembrandt of the screen" and "The Great American picture" by critics because it is typically American and intensely human.

AT THE STRAND TODAY AND TOMORROW

## ALFRED SMITH CONVICTED

Jury Returns Verdict of Guilty in Case of Oneonta Man Accused of Bootlegging—Molnari Case Held Over Tomorrow—County Court Will Adjourn Today.

Cooperstown, June 7.—Alfred Smith of Oneonta was convicted of illegal sale of liquor by a jury in county court today. He will be sentenced by Judge Welch at 9:30 tomorrow morning. The jury was out about half an hour. Smith was arrested in Oneonta early this spring on charges of having sold prescription liquor which his son had stolen from the basement of the Miller-Strong Drug store. Smith was represented by Attorney Claude V. Smith of Oneonta, while District Attorney A. A. Pierson presented the case for the people. This is the last criminal case on the docket, as the case of Anthony Molnari of Oneonta indicted for violation of the liquor law, must go over the term because of the inability of one of the principal witnesses to testify.

A jury was obtained late in the afternoon in the last case on the docket, the civil action of Francis Huyck of Exeter against Isaac Parker of Richfield Springs for alleged breach of contract in a sale of hay. VanHorne and Blanchard are representing the plaintiff and W. S. Eaton of Richfield Springs is appearing for the defendant with Adrian A. Pierson retained as counsel.

The remainder of the jurors were excused for the balance of the term this afternoon and court will probably adjourn tomorrow as it is expected that the Huyck-Parker case will be finished by night.

## A Welcome Solution.

Whether credit is due to Justice Kellogg or to the district attorney's office, or to both, the people of Broome county will be grateful that three murder trials have been disposed of in one week and that a term of court which gave promise of being the most costly on record has been brought practically to a close.

From the first, Justice Kellogg showed deep concern over the enormous amount of money these three trials would have cost. Under out present system of selecting jurors and with advanced costs affecting the legal machinery as well as the individual, it was expected that Father Broome's pocketbook would be considerably dented before the wheels of justice had ceased to revolve. At any rate, at least \$25,000 has been saved to the taxpayers of this county, the ends of justice have been served and we have been spared the hated details of two revolting crimes.—[Binghamton Sun.]

## TWENTY AND THIRTY YEARS AGO

Days of Old Recalled by Items Clipped from The Star Files.

June 8, 1892.

The Normal baseball team defeated Lestershire 11 to 7 on the Fair grounds yesterday.

Frank Herrieff, who finishes his duties this week with the firm of Mendell brothers, will remain in town the coming summer.

Miss E. Bull of Bryn Mawr college arrived in town last evening to spend the summer vacation with her parents on Division street. She will take a post graduate course and then teach.

Among the 57 members of this year's graduating class at the Normal are the following from Oneonta: Edna N. Baxter, Lora R. Brown, Anna G. Church, Belle M. Denton, Mina S. Firman, Florence M. Matteson and Robert Perize.

The following men have been summoned to Cooperstown as witnesses in the famous Wilcox vs Mattice case: David Orr, Jacob Farrington, George Kirkland, O. C. McCrum, Samuel Mendel, E. R. Ford, W. V. Huntington, C. P. VanWoert, Albert Morris, J. P. Butts, Henry Bull, Henry Porter, A. R. Smith, Don Ruland, E. C. Reynolds, A. D. Hiltchcock and A. W. Bradley.

June 8, 1902.

Woodrow Wilson has been elected president of Princeton university.

George W. Fairchild has been elected vice-president of the Guardian Trust company of New York city.

Construction of the new telephone line from Oneonta to Cooperstown by way of Portlandville and Milford is progressing rapidly. This will afford Oneonta patrons a direct connection with northern points.

On the night of June 5 at about 11:30 a Washington Roblee was going to his home on Walling avenue, a stranger stepped in front of him near Pine street and was about to hold him up. Roblee squared himself and shaking his clenched fist in the air, cried, "If you want anything of me, come on. The stranger hastened away."

## Beauty Seriously Marred.

While there is an abundance of foliage this season, it being so abundant in fact as to be the subject of comment, visitors to Stamford are painfully reminded of the ill effects of the sleet and ice storm that visited that section last winter, breaking many of the trees and topmost limbs out of others. The beauty of the trees and foliage there is seriously marred by the broken trees and shrubs. It will be years before Stamford visitors are not reminded of the storm.

#### LOCAL MENTION.

—Oneonta vs. Susquehanna at Nehawka park today at 4:15.

—The restaurant at the new Elks home was opened yesterday and received liberal patronage at both lunch and dinner. The diners were agreed that Steward Petersen provided excellent food and satisfactory service.

—There was a good attendance last evening at the meeting of the Social club of the Chapin Memorial church, held with Mrs. George Wood, 305 Main street. There were games and social entertainment and delicious refreshments were served by the hostess.

—As an extra added feature at no advance in prices Hathaway's New Oneonta theatre offers for today, tomorrow and Saturday, in conjunction with the theatre's regular feature photo-play program, Carl Cameron's Saxoland Four, a musical organization that needs no introduction to the theatregoers of Oneonta and vicinity as they will be remembered as a special feature attraction with the Al. G. Field's Greater Minstrels that appeared here last season.

#### MAPLE TREE WORMS.

Residents of Oneonta Note Their Re-appearance in City.

Residents of Oneonta, who very unpleasantly recall the maple tree worms which ten or more years ago wrought such havoc in this city, are disgusted to find that this year there has been a considerable return of the vermin. While it is not likely that this season the numbers will be great enough to do great harm, they are likely if unmolested to be forerunners of a genuine invasion of them next season.

For this reason it is suggested that every resident who has maple trees in his yard make careful examination for the purpose of killing the caterpillars of their year's growth. During the night the worms descend from the leafy tops and can be found in numbers in the morning upon the trunk of the trees. There they can with little difficulty be killed. One householder told yesterday of killing over 200 in a single morning. One can hardly estimate what this would have meant had the worms been left unmolested to complete their cycle of development. Evidently the way to prevent an invasion of the hosts in 1923 is to kill the advance guard now.

#### Meetings Today.

All members of the First Baptist Sunday school taking part in the children's day exercises are requested to meet at the church this afternoon at 4 o'clock for rehearsal.

Regular review of Oneonta Tent, No. 339. All members of degree team be present. Business of importance. Regular meeting of the G. I. A. to the B. of L. E. in I. O. O. F. hall, at 2:30 this afternoon.

The St. James' guild will meet this afternoon at the rectory at 2:30 for a business meeting.

The regular choir rehearsal at St. James' church will begin tonight promptly at 7:30. A full attendance is requested to practice for Trinity Sunday.

Special business meeting of Keeton's band to complete arrangements for Binghamton trip, this evening at 8:30 in Municipal building.

#### Susquehanna This Afternoon.

Susquehanna will oppose Bridwell's Oneonta Giants at Nehawka park at 4:15 this afternoon, and the contest should prove to be a pretty one. Last year Susquehanna and Oneonta started a game here which rain stopped before it had progressed far, but far enough to let fans know that the Pennsylvania city was represented by a clever team. It is reported that the Susquehanna aggregation is stronger than ever this year. Probably either Scanlon or Herschler will pitch for the Giants.

#### Sale Peggy O'Neill Dresses.

Special for balance of this week. 10 per cent reduction. This includes our entire line of the Peggy O'Neill graduation, bridal and evening gowns. Exclusive taffets, canton crepe, champagne and georgettes, beautifully embroidered. All the new ideas and glorious colors. We invite you to come in and inspect these dresses. Buy your olives, cocon and peanut butter in the bulk at Palmer's grocery. advt 2t

Special — Strawberries, 23c. Fancy kind. Market closed at noon. Kenney Bros. advt 1t

#### URGES NEED OF ORPHAN HOME

**CITY JUDGE HUNTINGTON ADDRESSES FRANKLIN BAPTIST ASSOCIATION.**

While Citizens Support Near East, They Neglect Children of Their Own Home Town, Magistrate Declares. Interesting Address; Association Approves Committee to Raise Funds for Purpose — Annual Session of Association Comes to Close Last Evening.

The one hundred and eleven annual meeting of the Franklin Baptist association was held in the parlors of the Main Street Baptist church yesterday.

The morning session was called to order by the Moderator, Rev. N. S. Burd, of this city, at 10 o'clock. Devotional exercises were led by Rev. C. L. Herrick of Oneonta. The election of officers was held at this time, the following being the officers elected for next year:

Moderator—Rev. E. L. Bixby, of Walton.

Vice Moderator—Dr. E. J. Farley of Oneonta.

Corresponding Secretary — Clifford D. Beach of Oneonta.

Clerk — William M. Dietz of Gilbertsville.

Treasurer—L. J. Bookhout of Oneonta.

The annual sermon was delivered by Rev. H. Wyse Jones, D. D., of Keuka Park. He took for his subject, "Unto Him," explaining that God has a finished plan of redemption, and emphasizing the fact that the people of God and of the church will be kept and guarded by Him. He brought out the beautiful thought that Christ is looking forward to the final redemption when all may be presented to the Father. Welcome to New Yorkers was ably and understandingly given by Rev. N. S. Burd.

#### The Afternoon Session.

Following intermission for the lunch hour the afternoon session was opened at 1:30 with devotional exercises by Rev. L. J. Sirox of Gilbertsville. The interest of the delegates centered on the address "Need of an Up-State Home for Orphan Children," given by Judge Frank C. Huntington of Oneonta. From wide experience as a magistrate and information gained by faithful study of the problem of the care of orphans, Judge Huntington presented the facts in a most interesting and appealing manner. He spoke of the unlimited funds which are being spent for the people of the Near East, China, etc., while children of our own race are neglected even to the point of starvation right at our doors. He outlined the accomplishments along this line of the people of Catholic faith, pioneers in the work, who have the finest record for number of institutions for orphan, destitute and crippled children of any religious organization. Fifteen thousand children become dependent every year. Of sixty homes for orphan children, fifteen are supported by Jews, six or more by Methodists, only one by Baptists, the balance by Catholics. This unpropitious distribution makes it necessary for many Protestant children to be cared for in homes conducted by Catholics. The problem is all the more difficult when it is considered that these homes are in the vicinity of New York city and are already crowded to overflowing. Forty thousand children were cared for in the institutions last year, fourteen thousand of whom were received during the year. There is a need in Oneonta and vicinity for a home where principles of right living and thinking are taught. There are many youthful lawbreakers, not fit subjects for a reformatory, who would be moulded into upright and self-respecting citizens in a home where good care and education were given them.

#### Funds to Be Raised.

Following Judge Huntington's address a discussion of the subject was held under the leadership of Rev. N. S. Burd, in the absence of R. C. Denny. It was directed that a committee consisting of Dr. E. J. Farley, Mrs. Claude Smith and Frank C. Huntington be appointed to have charge and control of a movement for raising a fund from various sources for the purpose of establishing such a home, and also to see that discussion of the subject be instituted in every church of the association. It was also voted that \$15 be appropriated for expenses of Judge Huntington to go to New York to investigate the Brooklyn Home for Children, so that he might bring the inspiration of such a visit to his address before the state convention in the fall.

An address, "As Christ Ordained," was given by Benjamin Starr of Homer. His subject dealt with practical stewardship. "Even so did the Lord ordain that they that proclaim the Gospel shall live of the Gospel." He claimed that the Church is robbed of her glory when the church members contribute money for philanthropic causes through their lodges and clubs, instead of through the church. The church members give the money, but the clubs get the credit. If one fraternal organization can support homes for the aged, for the destitute and for the orphan children of their members, why not the Church? Who is so fitted as the Church to control and conduct such homes? He closed his remarks with an appeal for a careful consideration of the facts.

#### Interesting Evening Session.

At the concluding session last evening Mrs. N. S. Burd of Oneonta gave an interesting preliminary talk of the activities of the women's and girls' organizations of the Franklin association, after which an inspiring song service followed, led by Rev. W. Ward of Milford Center.

The first speaker of the evening was Mrs. E. L. Kautz of New York, a native Czechoslovakian and deeply interested in the missionary movement both in this country and in her native land. In her address she sketched the lives of her people in their golden age, which she believed to have been a little more than three years ago, and told of their subsequent persecutions and their coming out into the light of Christian faith again after the World war. In other lands, she said, such as India and Japan, the faith of Christ has been carried by missionaries from other lands, but the people of Czechoslovakia have done all this work for themselves. Everyone, she said, knows about Hoover, the Red Cross and the American people but after the war was over they did not wait with folded hands, waiting for aid. Such appeal as she made therefore, was merely for such aid as in the advancement of Christian faith and in mere material

#### HIGHWAY CHANGE PROPOSED

Construction of Underground Crossing of D. & H. Tracks Near Glenn Bridge Eliminating Pony Farm Crossing Suggested—New Macadam on North Side of Railroad Would Be Required.

The advisability of eliminating the grade crossing at the Pony farm of the D. & H. tracks by the construction of an elevated grade near the Glenn bridge at the west end of the D. & H. yard and building a new stretch of macadam road on the north side of the tracks from the bridge named to the Pony farm crossing and there uniting with the present state highway was brought before the directors of the Chamber of Commerce of this city at a recent meeting.

A brief discussion in which all agreed that it would be an accomplishment worth while if it could be accomplished without too great a financial outlay to eliminate the Pony farm crossing where six tracks are crossed by hundreds and often thousands of motorists and others daily. President Briggs was authorized to appoint a committee to investigate the feasibility of the project and ascertain what can be done to bring it about, if it is deemed a wise step.

It was stated that it is possible to construct an underground crossing either just west of the Otego creek or east of it and that it would not be an expensive matter so that it would be required on the north side of the D. & H. tracks. If the underground roadway is placed west of the creek it would obviate a second grade crossing or the one which leads up the west side of the Otego creek from Glenn bridge to West Oneonta.

Then too, the present highway bridge at this point is too narrow for more than one way traffic and numerous accidents have occurred there. That a wider bridge should be constructed at once to accommodate the increasing motor traffic is appreciated by all. The construction of the underground crossing and the erection of a new bridge on the north side of the railroad bridge could be accomplished. Meanwhile traffic could proceed along the present route until the new route is completed and ready for use.

#### CARS COLLIDE ON STATE ROAD

Studebaker Sedan and Dodge Roadster, Latter Driven by Mrs. Deuel Lake, in Smashup Tuesday Night—One Woman Slightly Injured.

A motor car accident that resulted in considerable damage to two automobiles, but in serious injury to none of the occupants, occurred just before 6 o'clock Tuesday evening near the Ward farm on the Emmons road when Mrs. Deuel Lake of this city drove her Dodge roadster into the Studebaker sedan of a man whose name could not be learned. The accident took place at a county judge in the western part of the state. His wife sustained minor injuries about the face, but neither he, his son, nor Mrs. Lake were injured.

Mrs. Lake was coming toward Oneonta and had turned to pass a horse and wagon when the other car, proceeding in the opposite direction, came along. Mrs. Lake tried to avoid a collision but was unable to do so and the cars sideswiped, the Studebaker being driven into the fence. Its left front wheel was smashed and the left fenders and running board torn away. The right fenders were bent when the car struck the fence. On Mrs. Lake's car the left fenders and running board were damaged. The Studebaker was brought to Brannaman's garage for repairs.

There are still a good assortment of the silk waist that sell at half price at the Capron store. At the same counter are the Ferris waists, also at half price and the corsets (discontinued numbers) at \$1.25; regular \$2.50 and \$4.00. These are mostly in large and small sizes. advt 2t

The Elks' restaurant is now open for business and the patronage of Elks and their company is solicited. Business men's lunch from 11:30 to 2 for 50c. Table d'hôte dinner from 5:20 to 8 p. m., 85c. A la carte service during day and evening. Adv. 2t

#### For Sale or Exchange.

A fine farm of 40 acres near this city. Modern buildings, all improvements in dwelling. Will include stock and machinery. Campbell Bros. advt 1t

#### Used Cars.

Chevrolet touring, 5 passenger. \$175  
Chevrolet roadster. \$275  
Cadillac touring. \$325

In connection with your breakfast or dinner it is well to remember that Kilnrock high-grade coffee will afford keen delight. advt 6t

Good two-family house of 10 rooms, baths, furnace, nice lot, nearly central, \$2,200. Smith and Penlee, 130 Main. advt 2t

When looking for commencement gift, look in at the Gift and Toy shop, opposite post office. advt 1t

For sale—Building lot, 46x147, good location, all paved \$350. Smith & Penlee, 130 Main. advt 2t

Special—Strawberries, 23c. Fancy kind. Market closed at noon. Kenney Bros. advt 2t

things will enable this heroic people to help themselves. The address of Mrs. Kautz was alike interesting, thoughtful and inspiring, and had the close attention of all who were present.

The concluding address of the meeting was by Rev. H. C. Myers of Otego, who spoke on "The Need of the Hour," which he defined as not organization, more money or better education, but a more spiritual mind. The address was forceful and interesting and fittingly brought to a close one of the most interesting meetings in the history of the Franklin association.

#### PLAN SUMMER ROAD SHOW

Louis Stanton and Charles Higgins Leave City Soon With Their Vaudeville Show for a Tour of State, Cities and Larger Villages.

Charles Higgins and Louis Stanton have formed a co-partnership and are soon to start out with their road show traveling by motor car and trailer and visiting the larger villages and smaller cities giving what they have chosen to style a Vaudeville show with Mr. Stanton as the star performer and Mr. Higgins managing and directing the expedition.

They have constructed a trailer which when opened provides a platform 8 by 12 feet upon which Mr. Stanton will give some of his sensational acts. It is their intention to play the theatre where bookings can be secured and they have several offers of engagements. Where the local theatre will not use the show then they propose to secure a point of vantage and proceed to give an open air show and repeat as often as crowds can be gathered.

The plan of Messrs. Stanton and Higgins is to leave Oneonta not later than the end of the week and to travel so long as the show is a money producer. The trailer will be attached to the motor car of Mr. Higgins and they will travel about the state and may find their way to adjoining states.

Stanton, as is well known, has several sensational stunts that cannot but be mystifying and that have created favorable comment wherever given. The Star recently described his latest 'thriller' which was given at a park in Elmira. He permits himself to be locked securely in a milk can with six padlocks and then the can lowered in a lake or river. He extricates himself and soon appears on the scene. His trunk act has been seen here several times and is a good one. He is also an expert trick bicyclist and does some clever slight of hand and balancing stunts. All of these can be staged on the trailer attached to their motor car.

They will do business as the 'It & S' Amusement company and plan to devote the summer to the project. It is not unlikely that their first show will be staged at Norwich, the theatre management there having agreed to book the show for three days.

#### Repairing South Side Highway.

Considerable complaint has been heard that little or no work had been done repairing the state road between Oneonta and Davenport this spring and many water holes were giving motorists trouble. The highway force has, however, gotten onto the job and yesterday there were a dozen workmen engaged either on the big truck or in small gangs filling the holes and repairing the macadam. It is hoped to put the road into good shape for use in a short time.

#### School Exhibits at C. C. Miller Store.

Articles manufactured by pupils of the Manual Training department of the Oneonta High school will be on exhibition the remainder of this week in the show windows at C. C. Miller's store on Main street. The exhibit is an interesting one and will well repay inspection by every citizen.

The parlors of the First Methodist church of this city were crowded last evening for the presentation of the three-act comedy entitled "Sophronia's Wedding." The cast was composed of members of the first Methodist society of the church. The play was notable for the fine sequence of monologues and dialogues. Each actor's member of the Tattletown uplift society was faithfully portrayed, from the president, Mrs. Uriah Snodgrass, whose favorite saying was "AS the widow of the late lamented Eldon Snodgrass," to the youngest member, "to the minister's wife who was compelled to make frequent trips to her turbulent household during the course of the meeting. Miss Mary Cross as Sophronia Piper who tried to bring new ideas into the old town was especially appealing. The humor of the situation was brought out by the wedding presents arrived, including such gifts as five "art-colored pickles," dishes or a set of sad irons with the card "May nothing, sadder never cross your path than these sad irons." During the intermissions between acts Master Robert McMorris favored the audience with a violin solo, and Miss Mabel Thompson sang "Swallows" and "Smilin' Through."

From a financial standpoint the play was very successful. The girls conducted the arrangements for the play in a manner befitting professionals. They are to be congratulated on the efficiency of the production which was a real success.

## INCONCLUSIVE DAY

## ON STOCK EXCHANGE

Higher Quotations for Speculative Shares and Heaviness Among Standard Issues Mark Session

New York, June 7. — Higher quotations for various speculative shares dominated by pools or professional interests, and further irregularity or heaviness among shares of recognized value, featured today's broad but inconclusive session of the stock exchange.

Apart from the lack of public interest, developments were mostly helpful to the market's constructive side. Call loans fell to last month's lowest quotations, supplies of time funds increased, and commercial paper was in better demand.

Asian indications of better industrial conditions, which higher prices were quoted for finished products in the Ohio steel district, and from West Virginia came word of the reopening of steel mills after a year of suspended operations.

Liberty issues were in the forefront of today's dull bond market, the tax-exempt 3 1/2% at 100 1/4 and the first 4 1/2% at 100 1/2 establishing new records with moderate advances for a majority of the entire group.

Mexican government issues continued to react to the delay attending debt conferences here, but most of the European war flotations showed firmness and occasional strength.

Many of the underlying domestic rails were higher by large fractions to almost two points.

## League Takes Milk War to Sheffield Patrons

**Commences Intensive Campaign for Members Along Ulster and Delaware — Announces New Plants Will Be Built at Davenport Center and South Kortright—Sheffields Ask Patrons to Sign Yearly Contract.**

Davenport, June 7. — Dairymen's League Co-operative association officers have invaded this territory in goodly numbers and an intensive campaign is evidently on by its agents to secure and win away from the Sheffield Farms company as many of its patrons as possible and enlist them in the pooling arrangement of the new association, and it is said that they are making progress, although no numbers have been given out as to the number of new signers.

Coincident with their arrival in the territory where the Sheffield Farms company has the largest number of patrons, and where it has been considered strongest, comes the announcement from the offices of the Sheffield company that patrons who desire to remain with that company must sign an agreement with the company to deliver the milk from their farms to the Sheffield for the period of one year. The contract is so worded that the farm cannot be transferred to any member of the family and thus escape the obligation to deliver the milk from the farm to the Sheffield. In fact the contract calls for the delivery

of the milk from the farm as long as the present owner resides on the farm, though the farm be transferred to another.

The Sheffield have evidently profited from the experience of the league, some of the patrons of which have transferred their farms to members of their families, and thus escaped the obligation to continue to deliver the milk to the league.

Agents of the Sheffield called a meeting of the milk producers in this section for Tuesday at Davenport Center, but the meeting was poorly attended and a second meeting was called for Davenport today. Little has been disclosed other than the proposal of the Sheffield that it will refuse to take the milk of the dairymen, though they have been patrons of the company heretofore unless they sign the contract proposed. Signatures are not forthcoming as rapidly as is desired and the situation is rapidly becoming acute. The producers are hanging off and the time in which they are supposed to sign is being extended. At West Haverstraw they were given until Tuesday night to sign but the time has now been extended until Saturday night.

### Announce Two New Plants.

Dr. John Drew of Delhi is in Davenport directing the activities of the League agents and he authorized the statement that two new plants in the Sheffield territory are to be constructed at once and be in readiness to handle milk within six weeks.

One of these new plants is to be located at Davenport Center where the Calhoun property has been purchased. The station will be located on the U. & D. tracks west of the Sheffield plant and on the rear of the Calhoun property. This plant will cost \$50,000 and will be equipped to handle

fluid milk. The milk will be pasteurized and there will be machinery also for handling cream and for making any surplus into butter. Some of the machinery is arriving and it is said that ground will be broken in a day or two for the new plant.

A second new plant is to be located at South Kortright, where the Sheffield company has many patrons. This plant will be similar in size and equipment to the one at Davenport Center and it also will be hurried to completion.

### Milk Going to Unadilla.

The milk of those who have joined the League's pooling arrangement and all Leaguers are now patrons, is being hauled by truck to Unadilla. The milk from this section has been going to Arkville. It is stated that New York city authorities have barred the milk from that plant recently and this has diverted the milk to Unadilla. Two trucks are hauling the milk to that village and it is being handled by the plant there.

### Flight Is Strenuous.

It is increasingly evident here that the League has determined to carry the fight right back to the producers who are supplying the Sheffield with the milk and endeavor to win them over to the pooling plan. It is recognized that the Sheffield concern is the foremost concern now opposing the league and the strongest and the efforts now being made is believed to indicate that the League will fight hard for every dairyman in all this section.

The present status has been shaping since the Sheffield refused to do business with the new association and there is little doubt that the campaign is to continue until every dairyman in the section is definitely committed either to Sheffield, for a year's period or has been signed up as a member of the association.

The milk war is the one topic of conversation and much is being said on both sides of the proposition. It is claimed that the fact that Sheffield are asking all farmers to sign a contract for a year is evidence that the league is making inroads and securing the signature of former patrons.

It is certain that all along the north end of the Ulster & Delaware where the bulk of the milk now going to the Sheffield plant in New York is produced that the League agents are active canvassing for members and with some success. The extent of the defection cannot be accurately secured.

D. Hopkins lodge, No. 1, will hold a special meeting on Thursday, June 8, at 2:30 p. m., which is of much importance. W. H. Hetty, acting secretary.

In choosing a tea, the most important consideration is not "how much," but "how good." Buva tea stand preeminent.

## DELAWARE COUNTY NEWS

(Concluded from Page Three.)

school, together with many from relatives and friends. Burial was in the village cemetery. The flower girls were Marjorie Hall, Cora Cole, Velma McCracken, Lucy Shellman, Agnes Douglas and Dorothy Taylor. The bearers were Abbie and Wilbur Barker, Everett B. Hubbard, Carlton Roberts, Ralph Taylor and Arthur Brockway.

### Davenport Church Sales.

The Ladies' Aid society of the Methodist Episcopal church will serve a 40-cent supper in the church parlors Friday at 6 p. m. All are invited.

The W. M. S. of the United Presbyterian church will hold a bake sale at the home of Margaret Steele Saturday afternoon and evening. The sale will begin at 3 p. m.

### CAR SMASHES INTO TREE.

Five Persons in Car Driven by Sidney Center Youth Escape Serious Injury.

Sidney Center, June 7.—Harry Sutton, on his way home from Ithaca last Tuesday evening, driving his father's seven-passenger Chandler, met with an unfortunate accident near Haverstraw. In rounding a curve the rear wheels skidded on the wet grass and the car hit a tree by the roadside, tearing off both fenders on one side and breaking a spring. Mr. Sutton had four friends with him but fortunately no one was seriously injured.

### Woman's Club Next Wednesday.

The Woman's club will meet next Wednesday afternoon with Mrs. H. R. Stewart, Program. Chautauqua study, "The Common People of Ancient Rome," Mrs. George Boice, Paper, "The Development of the Radio," Mrs. Stewart; current events in response to roll call.

### Franklin Baptist Association.

The delegates attending the meeting of the Franklin Baptist association in Oneonta from this place are Rev. and Mrs. George D. Murray, Mr. and Mrs. Henry Southworth and Mrs. Ella Pich.

### Masonville Players Please.

The three-act comedy, "Willowdale," was produced by Masonville players in Smith's opera house last Friday evening for the benefit of the Gleaners' class of the Union Sunday school of Masonville. There was a full house and all enjoyed the excellent manner in which the play was carried out.

### Rents Farm Near Unadilla.

Charles Bedell and family have moved from this village to Unadilla, where he has rented a farm on the state road toward Wells Bridge.

### Community Picnic on July 4.

Plans are being made by the two Sunday schools of this village in cooperation with Maywood lodge, I. O. O. F. and Otseola Rebekah lodge, to hold a community picnic on July 4th.

### Mrs. Harriet Smith at Rest.

The body of Mrs. Harriet Smith was brought to Masonville from Binghamton last Saturday for burial in the family plot. Mrs. Smith was the widow of the late Seymour Smith, well known in this locality. Mr. and Mrs. E. A. Smith and family attended the funeral.

### FUNERAL OF BYRON G. JACKSON

Franklin Home Filled at Final Obsequies Monday Afternoon.

Franklin, June 7. — There was a large attendance of friends and relatives at the funeral of Byron G. Jackson, which was held at his late home Monday afternoon, the house being filled and many unable to gain entrance. The services were conducted by Rev. Hatlow W. Parsons, of the Congregational-Baptist church, who read appropriate scriptural selections and followed with an address suited to the passing of one so highly respected and whose death so generally was lamented. The business places in the village were closed during the hour of the funeral and all joined in paying a final tribute of respect to the departed. The floral tributes were numerous and beautiful.

Among those from away in attendance at the services were Mr. and Mrs. Frost of Elmira, Mr. and Mrs. J. Stone of Monte in Falls, Mr. Carpenter of Gilbertsville, Mr. and Mrs. Walter Bliss of Oneonta, and Mrs. H. S. Wickham of Davenport.

### Children's Day Exercises.

Children's day exercises will be held next Sunday morning at the Franklin Methodist church. An interesting program has been prepared. Rev. S. H. Stewart, the pastor, will give a brief talk on "The Happy Child." The topic for the evening service will be "Why Pray?"

### Announcement of School Work.

The second annual exhibition of school work will be held in the various rooms of the school on Friday afternoon from 2 until 5 o'clock.

### Personal Notes.

George R. Martin and David R. Galloway were in Unadilla Tuesday evening to attend a Masonic meeting. — Evangelist Phyllis of Binghamton has been visiting Rev. and Mrs. H. W. Parsons — James Miller of Athens, Pa., is visiting Ira L. Bradley — Mr. and Mrs. W. C. Alexander have been visiting at Walton and Downsville — George W. Alexander has sold his interest in the Alexander estate to J. H. Allen, who took possession June 1st. The business will be continued under the name of J. H. Alexander & Son.

### BLOOMVILLE HOME BUREAU

County Lemon-trator Will Be Present At Saturday's Meeting.

Bloomville, June 7. — The local Home Bureau will meet Saturday afternoon at 2 o'clock in the Methodist church parlors. Mrs. Buckner of Walton, the county demonstrator, will talk on interior decoration. The public is invited.

### Local Briefs.

Mrs. Robt. Darling of Nassau, who had been visiting her daughter, Mrs. W. B. Dayton, has gone to Meridian to visit Mrs. John Mattice, a former resident of this village. — Wilbur L. Cleveland attended the Pomona grange meeting at Hamden today. — L. P. Grant, a progressive farmer living near the village, is having an electric light plant installed in his farm buildings. — Mr. and Mrs. E. M. Powell are spending the week in camp

### SCENE FROM "THE PRODIGAL JUDGE"

The three most interesting characters in "The Prodigal Judge" are Judge Slocum Price-Tuberville, played by Maelyn Arbuckle; Solomon Mahaffy, by Ernest Torrence, and Hannibal, by Charles Eaton. Jean Paige has the role of Betty Malroy, who helps the judge to reclaim himself.

### At the Strand Today and Tomorrow

at Schuyler lake — There will be services in St. Paul's Episcopal church Sunday at 11 a. m. — L. Patrick has removed from the Lepley tenant house to rooms in the Middle Dibble house. — Mr. and Mrs. William Hotelling and son, Raymond, went to Oneonta last evening and today Dr. McMenamin will operate on Master Raymond for enlarged tonsils.
